Assemblage uniquement sur sommier 2 personnes

Bien étudier la notice de montage. Vérifier la présence et l'état de la quincaillerie et des pièces avant de débuter le montage. Ne pas monter ou utiliser le mobilier si certains éléments sont cassés, endommagés ou manquants, et n'utiliser que des pièces détachées approuvées par le fabricant.
Utiliser uniquement l'outillage fourni ou préconisé. Aménagez-vous une zone de montage. Procéder au montage. Ne jamais forcer les assemblages. Resserrer les vis après quelque temps d'usage.
Un mauvais montage, calage ou manutention peut entraîner une fragilisation des assemblages et/ou des pièces. Ne pas déplacer un mobilier chargé. Tenir éloigné les jeunes enfants lors de l'assemblage.
Gardez votre notice de montage, si une pièce venait à manquer, elle serait le plus clair moyen de communiquer avec votre magasin.

Read the assembly instructions carefully. Check that all hardware and parts are present and in good condition before beginning assembly. Do not mount or use the furniture if any parts are broken, damaged or missing, and use only spare parts approved by the manufacturer. Use only the tools supplied or recommended. Set up an assembly area. Proceed with assembly. Never force assemblies. Retighten screws after some time of use. Incorrect assembly, shimming or handling can lead to weakened assemblies and/or parts. Do not move loaded furniture.
Keep young children away during assembly. Keep your assembly instructions. If a part is missing, they are the clearest way to contact your store.
