CONSIGNES D'UTILISATION	1: Ne jamais forcer les assemblages. Resserrez les vis après quelques temps d'usage. Gardez votre notice de montage, si une pièce venait à manquer, elle serait le plus clair moyen de communiquer avec votre magasin. 2: Installer le produit sur une surface plane. S'assurer de la stabilité du produit avant utilisation. 3: Respecter la charge maximale pour une utilisation sécurisée.
RANGEMENT ET ENTRETIEN	1: Couper l'alimentation lors de l'entretien et du nettoyage. 2: Dépoussiérer soigneusement puis humecter un chiffon doux et propre d'eau légèrement savonneuse. Ne pas utiliser de produits de nettoyage abrasifs ou solvants. 3: Le cuir est un produit naturel, il se peut que vous puissiez voir de légères traces de cicatrices initialement présentes sur la peau de l'animal. Pour tout produit d'entretien ou de rénovation spécifique, vérifier la compatibilité des produits que vous appliquez avec le support à entretenir. Se reporter à la notice d'utilisation du produit d'entretien. 4: Le revêtement PU est sensible par nature au sébum et à la sueur : un nettoyage fréquent des zones exposées est à effectuer à l'aide d'un produit non acide de type savon de Marseille.
