CONSIGNES DE SECURITE

IMPORTANT ! À LIRE ATTENTIVEMENT ET À CONSERVER EN VUE D'UNE CONSULTATION ULTÉRIEURE

Ce meuble est destiné à un usage domestique.

Ne convient pas aux enfants de moins de 4 ans.

Assemblage requis.

Vérifiez que vous disposez de toutes les vis et pièces avant de commencer l'assemblage.

Ne montez pas et n'utilisez pas le meuble si des pièces sont cassées ou endommagées ou s'il manque des pièces, et utilisez uniquement des pièces approuvées par le fabricant.

Utilisez uniquement les outils fournis ou recommandés.

Serrez fermement les fixations à l'aide des outils fournis ou recommandés.

Un montage, un étayage ou une manipulation incorrects peuvent entraîner un affaiblissement de l'assemblage ou des pièces.

Tenez les enfants éloignés pendant le montage. Le produit contient de petites pièces qui pourraient être ingérées.

Tous les raccords doivent être correctement serrés et vérifiés régulièrement, puis resserrés si nécessaire.

Ne déplacez pas un meuble chargé.

Le meuble n'est pas conçu pour être remonté.

Meuble contenant des panneaux à base de bois (panneaux de particules, fibres, contreplaqué) qui peuvent émettre des polluants dans l'air intérieur. Par conséquent, une fois le meuble installé à son emplacement, il est conseillé d'aérer fréquemment la pièce pendant au moins quatre semaines afin de réduire l'exposition aux polluants émis par celui-ci.

Suivez toujours les instructions du fabricant.

La taille de matelas recommandée pour ce lit est de **190 x 90** cm.

L'épaisseur du matelas pour lit gigogne ne doit pas dépasser **15** cm.

La pièce doit être aérée afin de maintenir un faible taux d'humidité et d'éviter la formation de moisissures à l'intérieur et autour du lit.

Les raccords doivent être correctement serrés et vérifiés régulièrement. Resserrer-les si nécessaire.

AVERTISSEMENT ! Le non-respect des instructions d'installation décrites dans le mode d'emploi est dangereux.

ATTENTION: les lits peuvent présenter un risque grave de blessure par étranglement s'ils ne sont pas utilisés correctement.

Ne jamais attacher ou suspendre des articles à une partie du lit qui ne sont pas conçus pour être utilisés avec le lit, par exemple, mais sans s'y limiter, des cordes, des cordes, des crochets, des ceintures et des sacs.

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

This furniture is for domestic use.

Not suitable for children under 4 years of age.

Self-assembly required.

Check that you have all the screws and parts before starting assembly.

Do not assemble or use the furniture if any parts are broken or damaged or if any parts are missing, and only use parts approved by the manufacturer.

Only use the tools supplied or recommended.

Tighten the fasteners securely using the tools supplied or recommended.

Incorrect assembly, bracing or handling could lead to weakening of the assembly or parts.

Keep children away during assembly. The product contains small parts that could be swallowed.

All joints must be tightened properly and checked periodically, retightening them if necessary.

Do not move a piece of furniture that is loaded.

The furniture is not designed to be reassembled.

Furniture containing wood-based panels (particle board, fibreboard, plywood) may emit pollutants into indoor air.

Therefore, once the furniture has been installed in its location, it is advisable to ventilate the room frequently for at least four weeks to reduce exposure to the pollutants emitted by the furniture.

Always follow the manufacturer's instructions.

The recommended mattress size for use with the bed is **190 x 90** cm.

The thickness of the mattress for the trundle bed should not exceed **15** cm.

The room should be ventilated to maintain a low level of humidity and to prevent the development of mould in and around the bed.

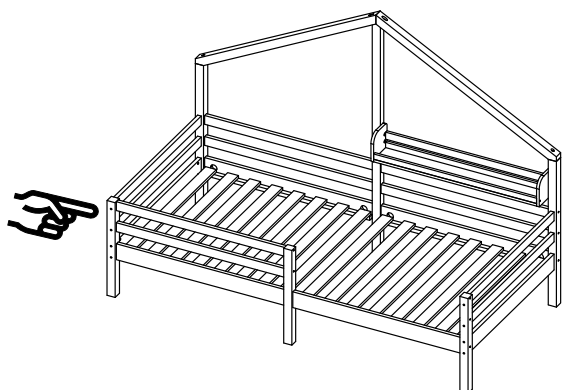

The joints must be tightened properly and checked periodically. Retighten them if necessary.

WARNING! Failure to follow the installation instructions is dangerous.

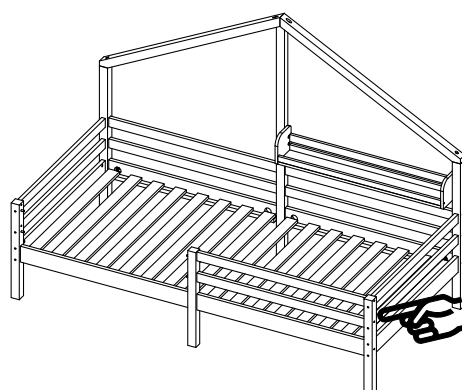

WARNING: beds can present a serious risk of injury from strangulation if not used correctly.

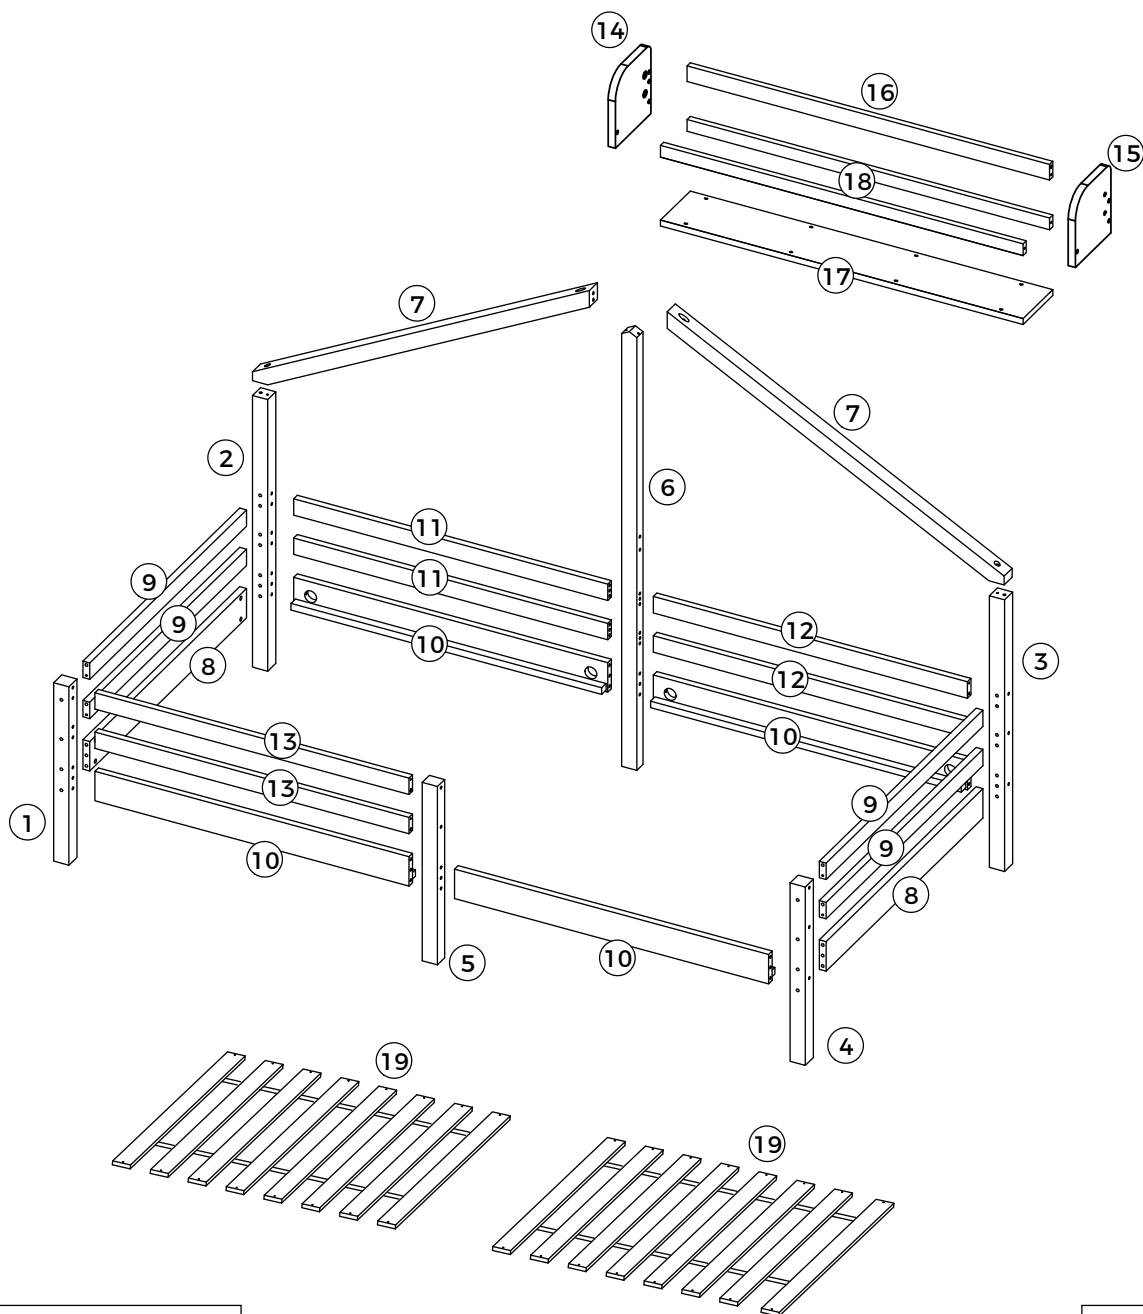

Never attach or hang items to any part of the bed that are not designed to be used with the bed, for example, but not limited to ropes, strings, cords, hooks, belts and bags.
